The data are the result of a calculatory computer analysis of the fragrance formula and are based on currently available analytical data of fragrance ingredients, but not on a gas chromatogram of the fragrance compound as such.

A formula free from 80 allergens may contain sensitive ingredients and therefore may cause an allergy or sensitization.

This document is electronically generated and therefore it is not signed.

The data are the result of a calculatory computer analysis of the fragrance formula and are based on currently available analytical data of fragrance ingredients, but not on a gas chromatogram of the fragrance compound as such.

A formula free from 80 allergens may contain sensitive ingredients and therefore may cause an allergy or sensitization.

This document is electronically generated and therefore it is not signed.
