The concentration is given in percent by weight (g/100g), including directly added substances, constituents from naturals and impurities from synthetic fragrance raw materials (e.g. Limonene contained in essential oils).

The values displayed are generated by calculation, values below 0.001% are indicated as -

LUZI AG, Regulatory Affairs

This certificate was electronically produced and is valid without signature.

The information of this declaration reflects our knowledge and understanding available at the date specified. Please note that collection of supplier data as part of raw material data maintenance is an ongoing process and the values displayed may change. None of the information given shall be interpreted as any guarantee. The information is provided without any responsibility on the part of LUZI and does not release you from your own quality assurance measures in order to comply with any applicable laws for the use of this fragrance in your final product. The responsibility and risk for consumer product labeling entirely remains on our customers' side.
